ANNUAL REPORTS

DEERING

1 9 7 1

All property owners in the Town of Deering are reminded that they will be welcome at the Annual Town Meeting at 7:00 p.m. March 7, 1972, whether or not they are registered voters of the Town.

By Order of the Board of Selectmen

1972

CATHERINE L. CAREW

1893 — 1970

Catherine L. Carew, whose picture appears on this report's cover, was a resident of Deering from 1945 until her death in 1970. Mrs. Carew was the widow of Joseph M. Carew and mother of ten children. While making her residence here, she served the Town as Tax Collector and then as a Trustee of the Trust Funds. She was also active in civic, social and church affairs. She will be remembered by her friendly smile and her devotion and loyalty to her family and community.

Town of Deering

State of New Hampshire

TOWN WARRANT

To the inhabitants of the Town of Deering, in the County of Hillsborough, in said State, qualified to vote in Town affairs, greetings:

You are hereby notified to meet at the Town Hall in said Deering on Tuesday, the 7th day of March next, at seven of the clock in the evening, to act upon the following subjects:

Polls will open at 1 p.m. and will remain open until 7 p.m. (The polls may be continued to be open following the above hour by vote of the meeting, but may not be closed before the hour of 7 p.m. RSA 39:2.)

(All articles hereinafter are submitted by the Selectmen unless otherwise noted.)

Article 1. To choose all necessary Town Officers for the ensuing year.

Article 2. To see if the Town will vote to ratify the provisions of Chapter 361.1 of the Laws of New Hampshire 1971, entitled "An act changing part of the boundary line between the Towns of Deering and Hillsborough, as required by RSA Chapter 51, Section 9," or to take any other action in relation thereto.

Article 2-A. To take the sense of the qualified voters whether the amendments of the Constitution proposed by the 1971 session of the General Court shall be approved.

Article 3. To see if the Town will vote to accept the reports of the Town Officers, Agents and Auditors for the year 1971.

Article 4. To see if the Town will vote to raise such sums of money as may be necessary to defray Town charges for the year of 1972 and to make appropriations of and for the same, or to take any other action relating thereto.

Article 5. To see if the Town will vote to raise and appropriate the sum of \$4,000 for Town Officers' salaries and \$3,500 for Town Officers' expenses, or to take any other action relating thereto.

Article 6. To see if the Town will vote to raise and appropriate the sum of \$450 for election and registration expenses, or to take any other action relating thereto.

Article 7. To see if the Town will vote to raise and appropriate the sum of \$2,500 for the upkeep of the Town Hall and other Town buildings, and purchase of office equipment, or to take any other action relating thereto.

Article 8. To see if the Town will vote to raise and appropriate the sum of \$900 for Social Security payments for Town employees, or to take any other action relating thereto.

Article 9. To see if the Town will vote to raise and appropriate the sums of \$3,600 for the Police Department and \$3,500 for the Fire Department, or to take any other action relating thereto.

Article 10. To see if the Town will vote to raise and appropriate the sum of \$125 for Blister Rust Control, or to take any other action relating thereto.

Article 11. To see if the Town will vote to raise and appropriate the sum of \$500 for tree trimming, or to take any other action relating thereto.

Article 12. To see if the Town will vote to raise and appropriate the sum of \$2,000 for Insurance, or to take any other action relating thereto.

Article 13. To see if the Town will vote to raise and appropriate the sum of \$1,500 for Damages and Legal Expenses, or to take any other action relating thereto.

Article 14. To see if the Town will vote to raise and appropriate the sum of \$1,000 for contributions to neighboring towns which permit the use of their dumps by Deering residents and for trash removal, or to take any other action relating thereto.

Article 15. To see if the Town will vote to raise and appropriate the sum of \$25 for Vital Statistics, or to take any other action relating thereto.

Article 16. To see if the Town will vote to raise and appropriate the following sums for Highway purposes: 1.) \$12,000 for summer roads; 2.) \$15,000 for winter roads; 3.) \$7,500 for the general expenses of the Highway Department, and 4.) \$7,500 for road sealing, or to take any other action relating thereto.

Article 17. To see if the Town will vote to raise and appropriate the sum of \$7,500 as its share of the cost of reconstructing Bridge No. 103/053 on Reservoir Road, a Class V highway, at the dam of Deering Reservoir, and to request Town Bridge Aid from the State of New Hampshire for the balance, all under the provisions of New Hampshire RSA 242, or to take any other action relating thereto.

Article 18. To see if the Town will vote to raise and appropriate the sum of \$1,190.01 to secure Town Road Aid (state share \$7,933.39), or to take any other action relating thereto.

Article 19. To see if the Town will vote to raise and appropriate the sum of \$28,000 for the improvement of the street known as Long Woods Road from the end of the present hard-top, so-called, to the second railroad crossing located near the premises of one Robert Griffen; by scraping said road and paving the roadway thereof with a hard-top material, in order that said Long Woods Road will become passable throughout the entire year; or to

appropriate the said sum of \$28,000 for the above purpose, such sum to be raised by the issuance of bonds or notes under and in compliance with the provisions of Chapter 33, New Hampshire Revised Statutes Annotated (Municipal Finance Act) as amended, and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon, and to take such steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town, or to take any other action relating thereto. (Submitted by petition.)

Article 20. To see if the Town will vote to appropriate a sum not exceeding \$41,000 for the purpose of widening, building up, and paving the Long Woods Road from the end of the present hard-top to the intersection with River Road, such sum to be raised by the issuance of bonds or notes under and in compliance with the provisions of Chapter 33, New Hampshire Revised Statutes Annotated (Municipal Finance Act) as amended, and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon, and to take such steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town, or to take any other action relating thereto.

Article 21. To see if the Town will vote to raise and appropriate the sum of \$550 for street lighting, or to take any other action relating thereto.

Article 22. To see if the Town will vote to raise and appropriate the sum of \$35 for the Library, or to take any other action relating thereto.

Article 23. To see if the Town will vote to raise and appropriate the sums of \$1,200 for Town Poor; \$2,400 for Old Age Assistance; and \$600 for Aid to Permanently and Totally Disabled, or to take any other action relating thereto.

Article 24. To see if the Town will vote to raise and appropriate the sums of \$750 for interest on short-term loans and \$1,000 for interest on long-term loans, or to take any other action relating thereto.

Article 25. To recall to the attention of the Town that the sum of \$11,000 in payment of TRA notes must be raised, under the provisions of RSA 33:2; with the note that most of the latter sum is provided for in TRA commitments.

Article 26. To recall to the attention of the Town that a County Tax will be levied on the Town, and it is estimated that the sum of \$11,000 as shown in the budget for this anticipated levy.

Article 27. To see if the Town will vote to raise and appropriate the sum of \$200 for the care of Cemeteries. (Required by Statute.)

Article 28. To see if the Town will vote to raise and appropriate the sum of \$290 for the support of the Monadnock Region Assn., or to take any other action relating thereto.

Article 29. To see if the Town will vote to raise and appropriate the sum of \$200 for current operating expenses of the Conservation Commission, or to take any other action relating thereto.

Article 30. To see if the Town will vote to raise and appropriate the sum of \$200 for Civil Defense, or to take any other action relating thereto.

Article 31. To see if the Town will vote to appropriate the sum of \$15,000 to create a tax map of the Town as required by RSA, such sum to be raised by the issuance of bonds or notes under and in compliance with the provisions of Chapter 33, New Hampshire Revised Statutes Annotated (Municipal Finance Act) as amended, and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon, and to take such steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town, or to take any other action relating thereto.

Article 32. To see if the Town will vote to raise and appropriate the sum of \$750 to secure professional help in developing a long range conservation plan for the Town, or to take any other action relating thereto. (Submitted by the Conservation Commission.)

Article 33. To see if the Town will vote to designate as a "scenic road," under the provisions of RSA 253:17, that part of Fisher Road running between Old Country Road and the intersection with Wolf Hill Road (at Poling's house), or to take any other action relating thereto. (Submitted by the Conservation Committee.)

Article 34. To see if the Town will vote to authorize the Selectmen to auction property taken by Tax Collector's Deeds.

Article 35. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article 36. To see if the Town will vote to change the names of the following roads: a.) Bartlett Hill Road from Poor Farm Road; b.) Wolf Hill Road to be extended to the junction of the present Fisher Road with Old Country Road, with Fisher Road remaining from its junction with Route 149 to Wolf Hill Road.

Article 37. To see whose photograph the Town will vote to place on the cover of the next Annual Report.

Article 38. To see if the Town will vote to raise and appropriate the sum of \$14,000 to renovate and improve the present Town garage, or to take any other action relating thereto.

Article 39. To see if the Town will vote to authorize the semi-annual collection of real property taxes, with partial payments of $\frac{1}{2}$ of previous year's taxes to be due and payable July 1st of this and following years, and the remainder (total tax less July 1st payment) due and payable December 1st of this year and following years, with a 6% interest rate on taxes due July 1st to December 1st only; all in accordance with Chapter 454 of the Laws of 1971.

Article 40. To transact any other business which may legally be brought before this meeting.

Given under our hands and seals this Eighth Day of February, 1972.

SELECTMEN'S REPORT

Expenses for 1971 exceeded appropriations by less than \$1000, with the overexpenditure more than covered by current surplus.

1972 will require some modest increases in town spending if we are to maintain the expanded services of a growing town. Our census showed an increase from 1970 to 1971 of 73 persons for a new total of 667, representing an increase of 12%.

Both the school and the road accounts will reflect the added costs discussed later in this report. An additional factor of expense is the series of state-mandated programs which are, in fact, forced on the municipalities, without matching funds to do the required jobs. The principal areas affected by these state-imposed regulations are schooling, water pollution control, refuse dumps, tax mapping and welfare.

Our share of school costs can be expected to increase substantially over the next several years, largely because our growth rate for both people and property is increasing at a higher rate than other towns in the school district. In addition, state-ordered programs in education will increase the overall school budget. It is still too early to figure exactly what our share of this budget will be, but we estimate it at \$125,000, up from \$110,000 currently.

We believe our school apportionment cost was erroneously calculated by the State Department of Education, and we have filed a legal brief seeking to restore about \$4,000 of this apportionment. Legal counsel Perkins, Perkins & Douglas of Concord have been retained to do this, since our regular Town counsel, Atty. Hatfield, represents the school district. A full report of ensuing action will be presented at the Town meeting.

Added residences (26 building permits were issued in 1971 and ten subdivision plans approved) mean added costs for roads. Our increased responsibilities here are happily more than offset by additional funding of about \$15,000 in block grant distribution of state highway funds. This money would have gone to the State Highway Department, instead of the towns, if the New Hampshire Municipal Association had not organized all the municipalities to be sure we got this money at the local level. We think it is obvious that we must be united to secure meaningful revenue-sharing from the State, so support such cooperation through the Association. The cost of \$62.50 is but a tiny fraction of what we get by membership, as demonstrated above.

Why we reappraise property every year is a frequently asked question, and the reasons are simple. First, you can't have fair sharing of property taxes if you don't reappraise every year. Home owners in 1971 benefited by the substantial increase in back-land valuations, simply because the rate of increase in market value was greater for the back-lands than for homes. The home

owner would have paid a part of the back-land owners' taxes if a reappraisal had not been made, rather than paying fewer dollars, as was generally the case for 1971.

The additional valuations on back-land applied uniformly throughout the Town, and still are not totally reflective of current prices being paid for land, but they do give more equity than existed before.

The second reason we reappraise every year is that we are required to do so by State statutes. RSA 75 states in part the following:

75.1 The selectmen shall appraise all taxable property at its full and true value in money as they would appraise the same in payment of a just debt due from a solvent debtor... 75:7 The selectmen...shall take and subscribe... the following oath..."We, the selectmen and assessors of (Deering), do solemnly swear that in making the invoice for the purpose of assessing the foregoing taxes we appraised all taxable property at its full value...So help us God."

75:8 The assessors and selectmen shall, in the month of April in each year, examine all the real estate in their respective cities and towns, shall reappraise all such real estate as has changed in value in the year next preceeding, and shall correct all errors that they find in the then existing appraisal; and such corrected appraisal shall be made a part of the invoice in such cities and towns; and the invoice thus revised shall be sworn to...

A third reason is that possible future State reimbursements for open space or other programs may like the amount of revenue to be shared with the effectiveness of local appraisal technique. Look what happened to Manchester under the Business Profits Tax reimbursement, since they had under-appraised stock-in-trade—a close to \$3,000,000 loss in revenue!

Following are comments on some of the warrant articles to give you the background information on them.

Article 2 is the rearrangement of the boundary line with Hillsboro along the Contoocook River which was passed at the 1970 annual meeting, has since been approved by the Legislature and the Executive, and now needs only to be approved by ballot vote.

Article 5. More required reports and greater complexity of Town operations mean an additional \$500 is needed for town help, particularly for clerical help for the paper work. Expenses also are increasing, and of the total \$3,000 requested for this item, over \$1,250 goes just for printing of reports.

Article 6. 1972 will put a burden on the Check List Supervisors, with Town meeting elections/presidential primary, September state primary, and November general elections, so an appropriation of \$450 is needed.

Article 7. Two sides of the Town Hall were painted in 1971, and we plan to have the other sides done this year, so we've left intact the \$2,000 for upkeep of the Town's buildings. A separate report is being made about the need for other, or improved, buildings for highway and fire use. We also need two new fire-proof safes, one for the Town Clerk and one for the Town office.

Article 9. Police service is difficult to evaluate. The modest budget of \$3,600 allows little general patrolling which may be effective in restraining the common problems of house breaks and vandalism. To get more effective police service it would be necessary to spend considerably more. Perhaps the eventual solution will be to make a police compact with Hillsboro, and this would obviously require substantial additional appropriation.

Article 13. An increase of \$750 is recommended for Damages and Legal Expenses. We've been getting a "free lunch" on legal services at \$100 per year retainer fee, and this must be increased to \$300. It may become necessary to pursue further legal action with respect to the school funding apportionment, which will be done only if there is a good chance we'll be able to save about the \$4,000 referred to earlier in this report.

Man's best friend, the dog, is becoming more of a problem, so our expenses in picking up and maintaining or destroying lost and strayed dogs are increasing as well. Under new state regulations, we must keep strays for 10 days, a doubling of maintenance costs.

Article 14. While no increase is suggested in this appropriation, we think it wise to advise you that new State statutes will shortly require more costly dump facilities, either on our own or in a compact with a neighboring town or towns. We have an invitation to join Bennington/Antrim in their new dump, but road access is a problem. It may be that we will be able to join in with Hillsboro in their new dump, but plans for this are not yet definite. Under the new statute, open dump burning will not be permitted. If we are able to join another community in a joint dump operation, we estimate our prorated (based on population) share of costs will be in the order of \$3,000 to \$5,000 per year.

Articles 16 & 17. About \$2,000 of the over-expense of the Highway Dept. was due to mechanical problems with the grader, plus heavy use of salt to combat ice conditions. We do not expect the mechanical problems to recur, but we have made provision for additional salt use. We propose increasing summer road expense to \$12,000 from \$10,000; winter road expense to \$15,000 from \$13,500 general expense to \$7,500 from \$6,000; and provision for road sealing from \$2,000 to \$7,500; a total increase of \$10,500. This increase will be funded by the \$14,472.74 block grant highway aid from the State. The balance of \$3,972.74 would be earmarked for major summer maintenance and reconstruction, thus freeing the same amount for the dam bridge reconstruction suggested in Article 17; leaving a net increase of only about \$3,500 in funds to be raised for the total of all road accounts. The bridge at the dam is heavily travelled and is deteriorating, now being posted for a maximum 6-ton load. We have to make repairs on it now (hundreds of dollars per year) and it would be well to get a proper bridge there which would not require continual maintenance. The State estimate of total cost to replace with a new reinforced concrete deck on new steel stringers providing a 24-foot roadway capable of carrying 20-ton loads is \$30,000, \$7,500 shared by the Town and the \$22,500 balance from Town Bridge Aid Program of the State. And \$6,472 of the \$7,500 Town share will be freed from other appropriations by the new State subsidy. We recommend the adoption of the

above program, and believe we should provide adequately for our road communications.

The Town also receives annually from the State so-called "Duncan Funds" (RSA 241:11), sometimes referred to as "gas-tax" money. The allotment for 1972 of \$8,303.03 will be used for the already approved improvement work on the North Road, as was started in 1971 at the junction with Peter Woods Hill Road.

The block-grant subsidy for 1971 in the amount of \$7,256 was applied by the Tax Commission as an additional miscellaneous receipt which went to the reduction in tax rate. In compliance with RSA 241:14, we show the same as a receipt in the Comparative Statement of Appropriations and Expenditures under Road Maintenance—Summer, resulting in an overstatement of the unexpended balance of the same amount.

The Oshkosh truck finally gave up the ghost. Since it would cost between \$3,000 and \$4,000 just to get it running again, and, even then, would have been worth very little, we sold it for a new plow worth about \$1,000, plus \$275 in cash.

In order to provide safety for the Town's employees during hazardous winter storms, and also to add to our overall communications ability, we purchased a citizen's band radio system of 4 units for about \$800; they are now in use.

Article 18. This is the usual TRA appropriation, with the State share of \$7,933.39 added to our appropriation of \$1,190.01 to provide a total of \$9,123.40 toward our bonded debt of \$22,000 remaining on the Old Country Road job. \$11,000 is due December 31, 1972, with the \$11,000 final balance due December 31, 1973. We renegotiated these debts with a reduction from 5% to 4½% per year.

Articles 19 & 20. These are similar articles, No. 19 having been submitted by petition, while No. 20 is submitted by the Selectmen as being the better alternative should the Town wish to make the improvement on the Long Woods Road. The original petition (No. 19) calls only for scraping and hardtopping, which would be wasting of money in the Selectmen's and Road Agent's opinions. The roadbed is already so close to the water level alongside that scraping will only result in additional ice heaving with early destruction of any hardtopping. This in our view would be a waste of taxpayers' money. If the Town wishes to improve Long Woods Road, we recommend approval of Article 20, which would do a good job, one which would last for a much longer period of time. Because this road is heavily travelled and straight as a die, we believe a proper job should be done widening in order to reduce the almost certain traffic hazard which will occur with improvement of surfacing.

Article 31. Under new State law, all towns will be required to have a tax map by 1980. This is another example of a State-ordered program which must be funded locally. We agree that a tax map will be useful in identifying properties which may not now be carried on the tax rolls. Many towns have found their revenues from previously untaxed lands has paid the cost of tax-

mapping over only a few years. In any event, we'll have to have a tax map in the future, so we recommend approval of this article, which could be bonded over a 3 or 5 year period.

Article 32. This article is inserted at the request of the Conservation Commission, who feel that negative action thereon by the Town will make possible the securing of funds for the stated purpose from foundations or other sources. We suggest its defeat by the Town.

Article 33. The "scenic roads" statute under which this article is submitted is unclear as to what roadside maintenance may be permitted, without going through the formalities of a Planning Board public hearing. Since Fisher Road is a designated "mail-route," it is the Town's responsibility to maintain the same in passable condition, and this might not be possible if Fisher Road were to be designated as a "scenic road." We respectfully urge the defeat of this article.

Negotiations have been begun with the Water Resources Board of the State with respect to the Town's acquisition of title to a part of the State property at the dam, as authorized under Article 30 of the 1971 annual meeting. Nothing definite is yet known as to the final decision of the State in this matter. Until this matter shall have been resolved, it is our intent to wait before installation of the toilets at the dam which were previously authorized.

We have not used the services of the State Tax Commission for audit because the Commission has not been authorized sufficient staff to undertake additional audits for municipalities. The proposed special session of the State Legislature may resolve this problem.

Still unresolved is the major question of doing more for ourselves, by ourselves, about our own fire protection. We cannot too deeply express our thanks to Chief Page and the wonderful men of the Hillsboro Fire Dept. for their constant and devoted help to all of us in Deering.

We continue our desire to answer any questions you may have about the operation of your Town.

Respectfully submitted,
Your Selectmen:

WILLIAM P. BITTENBENDER
JOHN J. GRIFFITHS
MAX D. MARGULIES

BUILDING COMMITTEE REPORT

It is recommended that the Town use the present Town garage as a garage and as a fire house. Due to its central location it is felt that it is logical to keep the fire fighting equipment in the Center. It is also a downhill run to almost any area.

In order to use the present structure, it is recommended that the Town renovate the present Town garage. The present floor is all broken up concrete and has to be removed and a new floor laid. It is recommended that the north bay be used to house a fire truck (tanker), the front of the garage be closed in except for a door to the fire truck section, and overhead doors be placed in the end in back of the Town Hall to enable the grader to be placed in the garage even with the plow mounted on the front of it. There will also be room for a truck alongside the grader. The building should be insulated and rewired. A new heating system should be installed so that the bay with the fire truck can be kept at least at 40° at all times and the garage section heated when needed.

It is further recommended that a Volunteer Fire Department be organized and that a tank truck be obtained through our Civil Defense Director. The truck now used is on loan from the state and is actually too small.

The Town of Hillsboro has been fighting our fires at a large cost to the Town. It is felt that if we own and maintain our own truck, a reciprocal agreement can be reached with Hillsboro, eliminating this problem. Hillsboro has also notified us on more than one occasion that they feel we must do more to help ourselves, as they have had to make repeated runs into Deering to attend the same fires.

DETAILED REPORT OF THE HIGHWAY DEPARTMENT

To the People of the Town of Deering:

Winter expenses during 1971 are attributable to the usual plowing, salting and sanding. Due to an excessive amount of snow and freezing rain, a large amount of salt was used and a good deal of sanding was done.

Work was done on the following roads during the spring, summer and fall: Burke's Road was widened and graveled; Farrell's Road was graveled; parts of Kermode's Road were graveled; Hunter's Road was widened and graveled; the ditches on Old Country Road were widened and tarred; and 2,000 feet of North Road was completely redone—including widening, a new bridge being put in, ditches being made, graveling and seeding. Duncan Fund Highway was used for this latter job, in agreement with the State.

In addition to the above, various roads were cold patched, culverts were put in, washouts were repaired and water turnouts were made where necessary.

Unexpected expenses were incurred by repairs needed on the Town grader. Two cluster gears in the toque converter were replaced, as well as wheel bearings and seals and hydraulic pump.

STUART H. MICHIE, JR.
Road Agent

REPORT OF THE LIBRARY TRUSTEES

The Trustees of the Deering Library are happy to report that we had many visitors from out of state this year, some of whom were interested in the building as it was their former schoolhouse. Others complimented us on the many excellent old books we have. We have had several gifts of juvenile and adult books.

We had two visits of the Bookmobile, and we have books available during the winter if you contact Mrs. Ireland, telephone 398-2678.

The Trustees would like to thank Boyd Facemire, Bob Marotta and Bob Nugent for the work done at the library. The building was painted (paint donated by the Trustees of the Trust Fund), the east side of the building was graded, poison ivy was removed, and small trees were planted in back of the stone wall to eventually screen off the town equipment stored in back of the library.

HISTORIAN'S REPORT

Numerous cellarholes in the Town attest to the fact that formerly Deering's population was considerably greater than at present, although our population has been increasing recently.

The 1970 U. S. Census figures having been published during 1971, it seemed that it might be interesting to publish all the Census data for the Town.

The first U. S. Census, taken in 1790, lists our Town as Dearing, but since then it has been Deering.

Census Year	Deering Population	Census Year	Deering Population	Census Year	Deering Population
1790	928	1850	890	1910	353
1800	1,244	1860	793	1920	287
1810	1,363	1870	722	1930	324
1820	1,415	1880	674	1940	367
1830	1,227	1890	531	1950	392
1840	1,124	1900	486	1960	345
				1970	578

150 years ago our population was at its greatest—1,415—and 50 years ago it was at its lowest point—287. Having remained fairly constant from 1930 through 1960, we are again experiencing an increase in our population.

MARJORIE A. HEATH
Town Historian

DEERING PLANNING BOARD REPORT

The Deering Planning Board met fifteen times during 1971, including four Public Hearings, four joint meetings, i.e., Board of Selectmen, Hillsboro Planning Board, and Conservation Committee.

Dr. James M. Carew was re-appointed by the Board of Selectmen to a four-year term and was also re-elected by the Planning Board as its Chairman for the year.

A total of ten subdivision plans were approved by the board with two others being considered.

A joint meeting with the Hillsboro Planning Board revealed similar problems as regards growth, particularly controlled growth. Your Planning Board has decided that some form of minimal Town comprehensive planning, called Zoning, will be necessary. Deering must protect itself from haphazard growth which will greatly influence our tax structure in an undesirable way.

A form of zoning will be required to avoid this. The Planning Board has sought the assistance of the Office of State Planning for guidelines. Town zoning will be a major concern of your Planning Board in 1972. Consequently, the Planning Board asks that interested citizens express their opinions and assist in this major project. A Planning Board must not consider merely 1972 but should project its planning many years hence.

The Planning Board wishes to inform all future subdividers that subdivisions to be considered by the Deering Planning Board must be submitted in a form that meets the standards determined by the Register of Deeds, Hillsborough County. In addition, these plans must have the approval of the New Hampshire Water Supply and Pollution Control Commission.

Concerning the Sign Ordinance for the Town of Deering, the Planning Board considers the ordinance too vague and, therefore, recommends that a more explicit ordinance be accepted by the Town.

We wish to remind all Deering residents, non-residents and friends that 1974 will be our Bi-centennial year. We hope that everyone will be able to get together for a gala celebration to mark this memorable occasion.

Again the Deering Planning Board feels it has accomplished considerable during the past year in the best interests of the Town, and it reminds you that its members are appointed by the Selectmen and serve without remuneration, in a true civic spirit. We are always open to receive suggestions and opinions from residents and non-residents on matters relating to the future planning of the Town.

Respectfully submitted,

DR. JAMES M. CAREW, Chairman

Planning Board

HEALTH OFFICER'S REPORT

Once again we have received a favorable report from the New Hampshire Water Supply and Pollution Commission on ten samples of water taken from various locations on Deering Lake. The samples were collected in the summer following a season of much activity at the lake by way of boating, swimming and fishing. The lake water remained in as fine quality and purity as last year. It is the responsibility of all, whether living at the lake or merely using the water for recreation, to help maintain a lake of which Deering and the State can be proud.

Fortunately, there were no serious accidents at the lake during 1971. Safety should be continually stressed by all, as well as respect for one another, whether boating, water skiing, fishing, or swimming.

In other areas of the Town there are still dwellings which are unfit for human habitation, mostly rental properties. The Board of Health will be compelled to order these dwellings closed unless improvements are made by the owners to assure fit, sanitary and healthy living quarters for those living in them.

The Board of Health investigated the deaths of two cows in one section of the Town on different farms, but ruled, with the expertise of a Veterinarian, one accidental and the other of natural causes.

For the benefit of those subdividing land, the State Water Supply and Pollution Control Commission must first approve the subdivision for septic systems before the Planning Board can grant approval.

The health of a community should be of great concern to everyone living in that community. The Board of Health, comprising the Health Officer and Board of Selectmen, and with the help of all in the Town of Deering, will strive to maintain a healthy new year for all in 1972.

Respectfully submitted,

DR. JAMES M. CAREW

Health Officer

January 5, 1972

Term expires 1974

REPORT OF THE CONSERVATION COMMISSION

The Commission met monthly throughout the year. Our main project was the development of a questionnaire designed to get the viewpoints of the people of Deering as a guide to our future action, and, the real job, of personally interviewing property owners. We were greatly assisted by Dr. Raymond Paynter, Chairman of the Conservation Committee of the Deering Association, and the members of his committee. We did not attempt to reach all the people of Deering in our survey but tried to get a representative number from each section of the Town. A total of 100 questionnaires were completed. A summary of the results of the survey follows:

- 61 want no mobile homes in their neighborhood.
- 15 approve of small businesses in their neighborhood.
- 13 feel we should have no restrictions whatsoever.
- 41 favor industrial development in the Town.
- 25 feel that a one-acre lot is sufficient, while 36 think we should require 2 or more acres in their neighborhood.
- 27 feel that the subdivision regulation requirement of 150-foot frontage is adequate. 35 thought it should be more.
- 41 approve of a 30-foot setback in the front, while 19 would like more.
- 16 feel that the 15-foot side setback is enough, but 35 want more, some much more.
- 19 see a need for a Town recreation area, especially a beach.
- 50 favor the development of nature trails.
- 86 favor control of gravel pits in sight of the road after they cease to be used.
- 73 favor zoning as a means of conserving the green space and rural charm of Deering.
- 27 said they were interested in being active in Conservation in Deering.

One of those interested in conservation is former selectman William Kulbacki, who has now joined the Commission, replacing Mrs. Warren Olmsted, who resigned because of her inability to attend all meetings. We sorely miss "Chip's" handling of our secretarial duties but persuaded her to continue her fine work on our maps.

Although the Town voted last year to attempt to secure the State land by the dam on Deering Reservoir, the acquisition is far from complete. Negotiations between the Town and the State are continuing.

REPORT OF THE DIRECTOR OF CIVIL DEFENSE

Your Director participated in several practice alerts and filed all necessary reports with the State Civil Defense Director.

Four fire nozzles were purchased through Civil Defense for use by the Deering Fire Department. The balance of the Civil Defense appropriation of \$200 was used in the purchase of radios for the Town of Deering Citizens Band network.

Respectfully submitted,

REPORT OF THE FOREST FIRE WARDEN

AND DISTRICT CHIEF

"Lest we forget — It can happen here"

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds, but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England, leaving villages in ashes with rows of cellar-holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947. Nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire—but they happened once, and they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating the habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand—a lighted match or a glowing cigarette.
2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.
3. If you camp or picnic, be sure open fires are allowed; and if they are, put them dead out when leaving.
4. Most important—instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year, 1971, was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered, and ask others to heed, Smokey's message.

Number of fires reported and acres burned — 1971 season:

State	463 fires	160 acres
District	106 fires	61½ acres
Town	12 fires	0 acres

WILLIAM DUMAIS

Forest Fire Warden

ROBERT J. BURTON

District Chief

MINUTES OF THE 1971 TOWN MEETING

A legal meeting of the inhabitants of the Town of Deering qualified to vote in Town affairs was called to order at 7:15 p.m. March 9. The meeting was opened with a prayer and salute to the flag. It was voted to have all articles voted on, not passed over.

Article 1. To choose all necessary Town Officers for the ensuing year.

Total ballots cast — 104

Selectman for three years — Max Margulies — 82

Selectman for two years — William P. Bittenbender — 70

Tax Collector — Howard E. Whitney — 97

Town Clerk — Clara T. Rich — 100

Town Treasurer — Clara T. Rich — 100

Trustee of Trust Funds for three years — Edna S. Yeaple — 88

Trustee of Trust Funds for two years — Gladys M. Snow — 98

Library Trustee for three years — Peggy Nugent — 94

Auditors — Eunice Willgeroth — 91, Marjorie Heath — 94

Article 2. It was voted to accept the reports of the Town Officers, Agents, and Auditors for the year of 1970.

Article 3. It was voted to raise such sums of money as may be necessary to defray Town charges for the year of 1971 and to make appropriations of and for the same.

Article 4. It was voted to raise and appropriate the sum of \$4,000 for Town Officers' salaries and \$3,000 for Town Officers' expenses.

Article 5. It was voted to raise and appropriate the sum of \$125 for election and registration expenses.

Article 6. It was voted to raise and appropriate the sum of \$2,000 for the upkeep of the Town Hall and other Town buildings.

Article 7. It was voted to raise and appropriate the sum of \$750 for Social Security payments for Town employees.

Article 8. It was voted to raise and appropriate the sum of \$3,600 for the Police Department and \$3,500 for the Fire Department.

Article 9. It was voted to raise and appropriate the sum of \$125 for Blister Rust Control.

Article 10. It was voted to raise and appropriate the sum of \$500 for tree trimming.

Article 11. It was voted to raise and appropriate the sum of \$2,000 for insurance.

Article 12. It was voted to raise and appropriate the sum of \$750 for Damages and Legal Expenses.

Article 13. It was voted to raise and appropriate the sum of \$1,000 for contributions to neighboring towns which permit the use of their dumps by Deering residents and for trash removal.

Article 14. It was voted to raise and appropriate the sum of \$25 for Vital Statistics.

Article 15. It was voted to raise and appropriate the following sums for Highway purposes:

- 1.) \$10,000 for summer roads
- 2.) \$13,500 for winter roads
- 3.) \$6,000 for general expenses of the Highway Department
- 4.) \$2,000 for road sealing

Article 16. It was voted to raise and appropriate the sum of \$1,364.23 to secure Town Road Aid.

Article 17. It was voted to raise and appropriate the sum of \$550 for street lighting.

Article 18. It was voted to raise and appropriate the sum of \$35 for the Library.

Article 19. It was voted to raise and appropriate the sums of \$1,200 for Town Poor; \$1,200 for Old Age Assistance; and \$500 for Aid to Permanently and Totally Disabled.

Article 20. It was voted to raise and appropriate the sums of \$1,500 for interest on short-term loans and \$1,650 for interest on long-term loans.

Article 21. It was voted to recall to the attention of the Town that the sum of \$11,000 in payment of TRA notes must be raised, under the provision of RSA 33:2; with the note that most of the latter sum is provided for TRA commitments.

Article 22. It was voted to raise and appropriate the sum of \$9,000 for its share of County Taxes.

Article 23. It was voted to raise and appropriate the sum of \$200 for the care of cemeteries.

Article 24. To see if the Town will vote to raise and appropriate the sum of \$290 for the support of the Monadnock Region Assn. Not Voted.

Article 25. It was voted to raise and appropriate the sum of \$200 for current operating expenses of the Conservation Commission.

Article 26. It was voted to raise and appropriate the sum of \$200 for Civil Defense.

Article 27. It was not voted to appropriate a sum not exceeding \$50,000 for the purpose of purchasing a tract of land and to erect thereon a municipal services building for the Town's Fire, Highway, and other departments.

Article 27-A. Moved that the Selectmen appoint a study committee of 5, representing the different parts of the Town, to report to the next annual meeting the results of an inquiry into the feasibility of the project under Article 27, and to include therein an analysis of the costs of renovation of the current Town shed, together with an analysis of other methods of solving the general fire problem.

Article 28. It was voted to authorize the Selectmen to auction property taken by Tax Collector's Deeds.

Article 29. It was voted to authorize the Selectmen to borrow money in anticipation of taxes.

Article 30. It was voted to raise and appropriate the sum of \$1 to secure title to a parcel of land adjacent to Reservoir Dam from the State of New Hampshire.

Article 31. It was voted to place Catherine Carew's photograph on the cover of the next Annual Report.

Article 32. It was voted to have the reports of its Officers and Agents audited by the State Tax Commission.

Article 33. To transact any other business which may legally be brought before this meeting:

It was voted, in view of the changing needs of its residents, that TRA funds can be used to maintain our existing tar and dirt roads as the Town sees fit.

"Be it resolved that this Town Meeting go on record as being opposed to any State Sales and/or Income Taxes and that any future action regarding same to be the subject of a special State Referendum held not later than March, 1972." 39 Yes — 24 No.

It was the consensus of the people present to have the Selectmen revalue the property every two years.

Meeting adjourned at 10:45 p.m.

CLARA T. RICH

Town Clerk
